To be fair, maybe the car accidents and insurance premiums are skyrocketing because of illegal immigrants not knowing how to drive and driving uninsured. But one thing i have noticed is that as a man, it is ALOT harder to find a date on a dating app than it was 3 years ago. it seems that male to female ratio at the bars and clubs is higher too. And i attribute this to more women than

In Germany it is noticable , the organized loss of lives.

Much less people are cappable of öong walk, many injured barely make it from the bed to the fridge and so on. Sometimes you volks heallth deterirated whom have been active and fit before,

They won't need a cover for the jab deaths. It's not like the remaining members of humanity will bother doing anything about it. If the fabric of society is torn, people will just be concentrating on keeping their heads above water.

Will there be separate rate pricing, or potentially denial of coverage, for people who were genetically modified?
